12 November 2020

Dear WCA Members

ONLINE TIME-KEEPING COURSE

<http://Wcapeaquatics.co.za/courses>

The WCA Technical Convener for Swimming has set up an online timekeeping course as an additional tool for our registered members to utilise. Classroom learning will still also be offered for timekeeping and a link will be sent out next week for members to put their names on a waiting list for Judges courses. This will be a classroom learning course until such time as SSA rolls out their judges' course online.

Our Provincial Technical Official Director, Johan Kat, with the assistance of the creator of the course (Our Technical Swimming Convener) will ensure that the content is regularly modified / updated when and if new content is received from SSA or Fina. Thank you to all the referees for their input to create this standardized course.

To start the course you will first have to register online on the site. Please ensure that once you have completed your time-keeping course, you forward an electronic copy to your club who will ensure that you are registered as a TKP.
